**REMARKS/ARGUMENTS**

In the Notice of Non-Complaint Amendment dated May 12, 2004, the Examiner has requested that the replacement drawing be amended to include the word "Replacement" in the top margin of the replacement drawing.

Accordingly, Applicant has enclosed a replacement drawing of Figure 3 with the proper wording in the top margin. Applicant avers that no new matter has been added.

In view therefore of the amendment to the drawing as well as the remarks set forth above, Applicant firmly believes that the present application is in all respects in condition for allowance which action is earnestly solicited.

Respectfully submitted,
